

Gary Chase Is Promoted: Resigns Village Post

Gary Chase, Rock Island Lines agent for Mokena and a member of Mokena Village Board has been promoted to Appointed Agent at LaSalle, which means that he will be in charge there with supervision over some 14 men.

He received notice of his appointment on Thursday of last week and reported for duty at LaSalle yesterday (Nov. 16). His last day at Mokena was Tuesday.

He is replaced here by C. D. Shields, on a temporary basis. Shields is a relief man working in the Ottawa and LaSalle area. The Mokena agency job goes up for bids in the Rock Island's Bulletin, out today (Nov. 20) and is expected to be filled between Dec. 20 and Jan. 1.

The position Chase will

fill at LaSalle is appointive and seniority is not a factor. He was chosen because of his ability.

LaSalle is a busy point on the Rock Island. The station is operated on a 24-hour day. The Burlington and the Illinois Central have branch lines running into LaSalle, which is also served by a local freight road, the LaSalle and Bureau County, and the four roads make freight transfers there. Chase will have four operators, four clerks, two baggagemen and switching crews under his supervision.

Because this is a starting point of Five Star mail routes, there is a large cargo of mail delivered by the Rock Island daily.

Mr. Chase is a member of the Mokena Chamber of Commerce and has been ac-

tive in civic affairs. He was elected a village trustee in April, 1963 and his term will end next May. He has tendered his resignation to the village board and it was to have been acted on last night.

As of Monday night no one had been mentioned as a possible successor to Chase but village officials hoped to be able to make a selection at last night's meeting which was held after this edition went to press.

Mokena residents would like to see someone appointed who would be available during the day. Trustees Chase and Roy Richardson, who operates a meat market, are the only trustees in the village in the daytime. With Chase leaving only Richardson would be available.

Frankfort Precincts Give GOP Heavy Vote

In the general election of last Tuesday all seven precincts in Frankfort Township had a sweeping Republican victory with the party having a majority in every precinct. In the township, Percy had 1,894 votes to 751 for Douglas and Baltz had 1,797 votes to 873 for Gleason. For Circuit Judge, Higgins had 1,674 votes to 1,010 for Santoro.

The Village of Frankfort, Precinct No. 1, was the leading Republican precinct in Will County with 327 straight votes to 34 straight Democratic votes and giving Percy a lead of 428 to 71 for Douglas. This precinct also was among the leading precincts as to voter turnout with 527 votes cast out of a possible 595 votes. Precinct No. 5, Lincoln Estates, turned in a Republican majority for the first time since it was erected, giving Percy 178 votes to 131 for Douglas. The voters of all seven precincts turned out in large numbers. The straight vote count:

Pct. 1 - 327 straight Republican; 34 straight Democratic.

Pct. 2 - 271 straight Republican; 59 straight Democratic.

Pct. 3 - 165 straight Republican; 77 straight Democratic.

Pct. 4 - 205 straight Re-

publican; 58 straight Democratic.

Pct. 5 - 116 straight Republican; 78 straight Democratic.

Pct. 6 - 129 straight Republican; 62 straight Democratic.

Pct. 7 - 109 straight Republican; 39 straight Democratic.

Albert H. Krusemark, executive committeeman of Frankfort Township and committeeman of Pct. 1, expressed appreciation of the work of committeemen, committeewomen and volunteer workers of all seven precincts for their efforts in turning out the large Republican majority.

To the voters themselves, he said: "I greatly appreciate the interest of all of the voters in the issues of the recent election and their cooperation in making a special effort to vote on issues they felt pertinent in this local, state and national election in spite of inclement weather. There was no voter apathy and on behalf of all of the committeemen and committeewomen we greatly appreciate your interest in all of the issues of this election and the special effort to go to the polls shown by the tremendous turnout in all of our precincts."

The committeemen representing Frankfort precincts

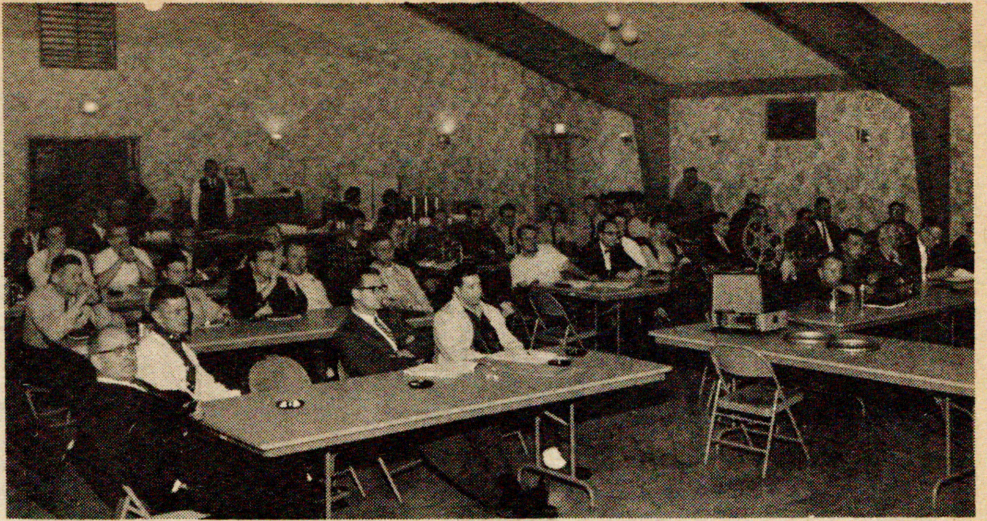

in addition to Krusemark are: No. 2 (Mokena) Harold Cooper; No. 3 (Mokena) Robert Schellhase; No. 4 (Mokena) Wilbur Weber; No. 5 (Lincoln Estates) Glenn Coburn; No. 6 (Arbury Hills) Harold Hatch; No. 7 (Frankfort) Ken Brown.

There is a chart on an inside page giving the vote in area townships.

Teach Safety And 1st Aid At Mokena

First aid and safety education has been introduced into the curriculum for 6th grade pupils in the Mokena Schools. It has been said

Mokena Boy Hit By Car Escapes Serious Hurt

An 11-year-old Mokena boy, John L. Ryan, who delivers morning papers, escaped serious injury Monday when struck by a car driven by Gilbert Hurley, 72, also of Mokena.

The boy was traveling his paper route and was crossing the Rock Island tracks on Hamilton St. Hurley came onto the crossing from Francis road, apparently at a good pace, according to Deputy Sheriff Wayne Gregory, who investigated the accident. The approach is rough, the deputy said, and Hurley lost control of the car and brushed the cyclist. He told Gregory later that he did not know his car struck anything other than holes in the pavement.

Young Ryan was taken to Silver Cross hospital where he was treated and released. Hurley was badly shaken and complained of chest pains. He was ticketed on a charge of failure to have his car under control.

that the program was initiated partly by design and partly by accident. There were too many sixth graders in the physical education and health classes. A study was begun to find a program that might tie in. It just happened that the State of Illinois, under the direction of Ray Page, superintendent of public instruction, was promoting an interest in safety education.

It was decided that on a trial basis, one class would have a 1-week course on safety and first aid while the two other classes were taking physical education and health. Then the next class would begin a 12-week unit.

The program was started and has met with so much success, that it has been decided to make the course a permanent part of the 6th grade curriculum.

Eugene Dilworth, instructor, teaches first aid, safety in the home, safety coming to school and in school, safety on the streets and on vehicles, and safety in outdoor sports. He has invited community speakers to talk to the students. Chief Roy Newton has been in the classroom talking about vehicle and bicycle safety. Arthur Omland has given some first aid demonstrations and other citizens will be asked to assist.

During the decade from 1950 to 1960, almost one million lives and \$100-billion were lost thru accidents.

"The complexity of living in the world of today demands greater knowledge of the growing hazards which nis said, "We must learn how to remove all unnecessary dangers and to compensate for those which cannot be

removed. We must know more, cover more, and act more prudently if we are to survive in today's world and give direction to our lives. Such a quality of safety does not result from mere chance. It must be cultivated out of a desire to live most and serve best. Direction towards these ends is the task of safety education."

Arbury Hills School Entertains Parents

Icy rain and winds did not dampen the spirits of the residence of Summit Hill District. An excellent crowd braved the elements to attend the monthly PTG meeting and to visit the rooms in which their children and children's friends spend a good portion of their day.

The evening consisted of a brief meeting in the all purpose room, visits to the class rooms, and refreshments.

Each room displayed certain aspects of the educational adventure experienced by the children of Arbury Hills School.

An indication of the use a wall can be put to was had by a mural along the wall depicting the Time Line of History, a graphic and artistic display of the History of Man dating to the year 1000.

There were charts of the solar system and the pertinent information that fourth graders associate with this life-giving aspect of our planet.

Science exhibits, diagrams, and a multitude of displays were had that showed the essence of the involvement this area of knowledge plays in our lives.

Reading diagrams, art projects, and many other personal works the students have designed were on display. Each of which added to the fact that this is a fine educational plant.

An appreciation and understanding of other cultures was illustrated by an Ori-

Plan Referendum On School Tax Increase

Frankfort Grade School board finds itself in the same condition of which numerous districts complain--insufficient funds in the educational tax fund to maintain proper standards, according to a board spokesman.

To remedy this situation the board is considering a special referendum at which the people will be asked to approve a hike in the educational fund tax rate.

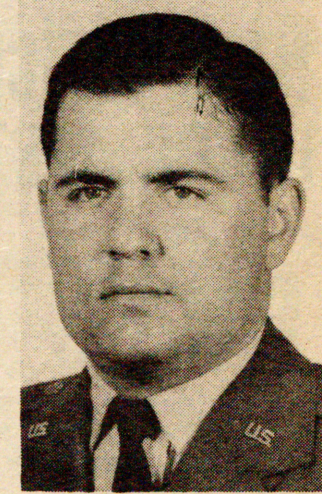

It is apparent that the board will not make formal announcement of its plans until its next meeting, Dec. 5. The meeting will be held in the Frankfort School at 7:30.

At its November meeting the subject was discussed and it was pointed out that the educational fund tax rate has not been increased since 1953, which probably should stand as a record as far as area schools are concerned.

Now the district is operational Project, a visual display of a day in the life of other people.

Of the hundreds of favorable comments the one most often stated and one which expressed the attitude of the people of Summit Hill District was: "with results like this, we will pass another referendum if need be."

PTA To Hold Annual Homemakers Bazaar

MRS. EMIL WILLE
Telephone: 469-5277
Come and do your Christmas shopping early. Do it at the Homemakers Harvest Bazaar, which will be held at the Ann Rutledge school. It will be sponsored by the P.T.A. The hours will be from 10:00 a.m. to 6:00 p.m. Donations of handmade items, baked goods, jellies and jams, Christmas decorations and next to new items would be greatly appreciated. For information, call Mrs. Cal Heath Jr. at 469-5350 or Mrs. Charles Scheeler. Your articles can be dropped off at either place. The bazaar will be held on Saturday, Nov. 19.

Mrs. and Mrs. Ed Nicholson and family were dinner guests of Mr. and Mrs. Elmer Haberlin of Lowell Ind. on Sunday. Mrs. Ed. Nicholson was celebrating her birthday at this time. The Haberlins' son, Chuck, was home on leave from the armed services. After his leave he will be leaving for Viet Nam.

The Lincoln Lassies 4-H club held their meeting on Friday, Nov. 4. There was a discussion about the Christmas decorations and what they want to make for their mothers. The girls have cards which they are to fill out to decide what they are going to take for the coming year. They have a choice of taking sewing, baking, flower arrangement, room improvement, photography or baby sitting.

The Ann Rutledge P.T.A. would like to express their appreciation personally to every individual who helped in any way to make the Halloween party the great success that it was. It was greatly appreciated.

Gerald Womack - Vice Pres.
Gladys Peyton - Sec.
Patricia Cummings - Treas.

Three board members: James Hubbard; Leonard Bushen; Julius Sandy.

We had an exceptionally good turnout, which shows that the new officers can expect good support from the membership. Also chairmen for each of the four standing committees were appointed, which in effect will give us a running start for 1967.

Looking forward to the holidays we want to advise all Tinley Gardens people that there will be a Christmas party for the kids and a New Years party for the adults. Contact your Homeowners Officers for the details and make your arrangements ahead of time so there

John St. Residents Oppose Street Poles

The ideal way would be to have the wiring underground but failing that residents along the north side of John St. in New Lenox would have Commonwealth - Edison Electric Co. bring in power behind the homes rather than along the street. This was brought out at the meeting of the New Lenox Village Board last week.

Attorney George O'Brien, Joliet, appeared before the board in behalf of three residents on John, Howard Dybedock, Wayne Brockman and Charles Eller. He said that the property owners along the north side of John St., had given an easement to Commonwealth-Edison so that the power for their homes was brought in from the rear.

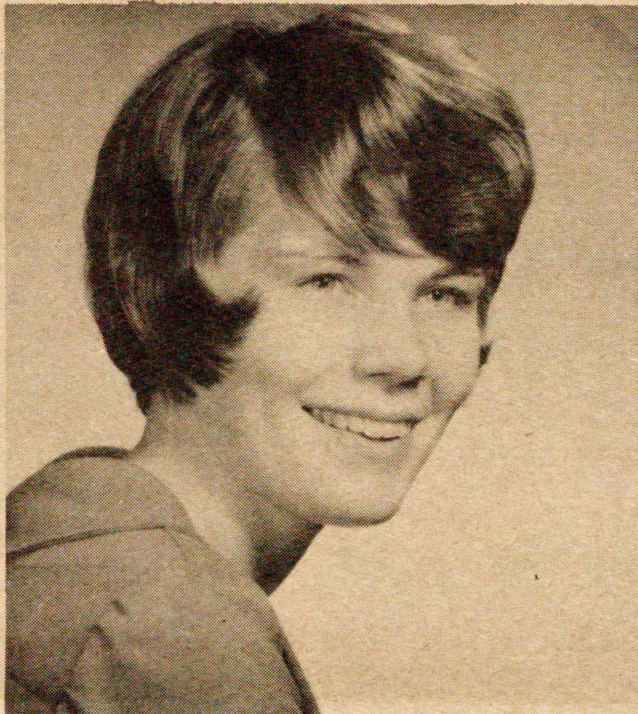

The utility firm is willing to bring in power for residents on the other side of the street from the rear, O'Brien said, but stated that the owner of most of the lots,

Burton Gillette, would not give an easement at the back of the lots along which the lines could run.

The power for a house that has been built on the corner on the south side of the street has been brought over from a street light pole that is fed from a line at the rear of the homes on the north side. Residents there fear that the utility company will not put a string of poles along John St., O'Brien said.

The village board agreed that it would be better to have the power brought in at the rear of homes than to have poles set along the streets but in the absence of an ordinance to force subdividers to provide easements for power lines along the rear of lots there wasn't anything it could do.

Some of the board members indicated they are interested in having an ordinance covering this phase of residential development.

JOAN ALMA STELLWAGEN -- Mr. and Mrs. Harwood Stellwagen, R.R. 2, Tinley Park announce the engagement of their daughter, Joan Alma, to William Pool, son of Mr. and Mrs. Oscar Pool, Thawsville, Ill.

Miss Stellwagen is a graduate of Carl Sandburg High School and is now a senior at Illinois State University, Normal, Ill.

Mr. Pool graduated from Onarga High School and is also a senior at Ill. State University.

A June wedding is being planned.

CHERYL DAWN PEYTON ---- Mr. and Mrs. James Peyton Sr., of Ethyl Lane, Tinley Gardens, announce the engagement of their daughter, Cheryl Dawn, to Alan Scholten, son of Mr. and Mrs. Henry Scholten of Chicago. Cheryl attended Lincoln-Way High School, and Alan attended Chicago Vocational High School.

A November 1967 wedding is being planned.

Police To Have New Car and Auxiliary

The New Lenox police department will have a new squad car. The New Lenox village board has been leasing a car for the police instead of purchasing it and will continue that plan.

Two bids were received. A Joliet auto dealer had intended to make a bid, according to Police Chief Joseph Wajchert, but changed his mind when he found out that 24 hour service was required and a car supplied when the squad vehicle was out of commission.

The low bid of \$175 a month was submitted by Jerry Shreffler, of Jerry Sinclair. The other bid was \$185, submitted by Roy Pfeifer, of Pfeifer Auto Sales.

The board also gave approval of Trustee Eugene McGovney's recommendation that the same equipment used on state police cars be purchased for the New Lenox car. This equipment consists of a chrome bar that arches over the top of the car. Lights are mounted on either side of the bar and in the center is an electronic speaker. An electronic siren -- with three different "voices" -- is connected with the speaker. The policeman using the car is also enabled to use the speak-

er to command a motorist to pull over and stop and while he is out of the car a flip of the switch will connect the speaker with the radio and bring him any messages -- loud and clear. The cost of such equipment is \$300, according to figures submitted by Moss Equipment Co.

Trustee McGovney also introduced a resolution which was adopted by the board that sets up an auxiliary police force in the village. The number would be limited to 15 and they would not be allowed to carry guns unless given specific permission by the chief of police. The members would be given training and be available to give the regular force assistance when the need arose. They would be compensated only by decision of the village board.

There were 15 volunteers who gave New Lenox police assistance on Halloween and Police Commissioner McGovney praised their work. Of the 15 about half are from New Lenox. The auxiliary force will be made up of volunteers from the New Lenox area. Application forms will be available at the New Lenox Village Hall.

Army Specialist 4/C Peter H. Winker, son of Mr. and Mrs. Peter P. Winker, Rt. 1, was assigned to the 25th Infantry Div. at Cu Chi, Vietnam on Oct. 30.

Dear Sir:

The people of Lincoln Estates on Saturday, Nov. 5, voted down a school bond issue for an "All - Purpose Room", gym, community hall, etc., addition to the school by a vote of 83 to 61, with 3 spoiled ballots. The people of this community have supported school improvements in the past but on this issue may have felt that additional classrooms should not be placed in the basement but that the basement should continue to be used for community affairs and that in this way, the present kitchen facilities could be used as in the past and that the adults of the community could continue to use the apparently inferior facilities. Thus students and teachers would not be put in the basement and the basement would continue to be used on a part time basis and the new classrooms would receive continuous use. Properly constructed with a movable partition, these classrooms could well be used for large affairs which the basement cannot contain.

It is also of note that only 148 out of an approximate 400 registered voters should decide a bond issue. The small turnout was caused by either lack of interest or lack of proper information and adequate publicity on this issue. Some may have felt that this issue was kept far too much in the dark and that before another vote on the issue is held, more effort should be made to secure public support.

The board apparently feels that only with the presence of athletic affairs is there a proper education of the students. Items such as kindergarten, adequate library and classroom facilities are also necessary for above average educational systems but these are also lacking in our school system and are not at present contemplated. The use of school funds for a community hall is improper use of educational funds. While a gym helps an educational program, there are other basic needs which must first be met.

Perhaps before the referendum is held again, the feasibility of two regular classrooms above ground should be considered by the board and the community.

Sincerely,
Joyce A. Bluth

Members of the congregation, friends and special guests were in attendance at the centennial banquet in observance of the Mokena Methodist church, held at Camp Manitouqua, Sauk Trail, Frankfort on Thursday, Nov. 10.

Berle Needham, master of ceremonies, welcomed the 145 persons attending, following an invocation given by the Rev. Robert J. Watson, pastor of the church.

Antique items in use one hundred years ago appropriately decorated the tables, such as, kerosene table lamps, wooden coffee grinders, lanterns, candle mak-

ers, pointed baby shoes, dolls copper tea kettles, syrup containers, china birds, straw flowers, candles and various types of glassware. The decorations were in charge of the banquet committee: Mr. and Mrs. Elias Brown, Mrs. Willard Barenz, Mrs. Florence Neithammer and Wesley Sievert.

Invitations were previously issued to former pastors and to local clergymen with the following attending as special guests: Rev. and Mrs. Glenn T. Beatty, Carrolltown, Mo.; Rev. and Mrs. Ronald Hartung, Madison, South Dakota; Rev. and Mrs. Dale Kleinschmidt, Villa Park; Rev. Robert King, Westchester and Rev. Harold Sandall, Lincoln, Nebraska. They each reminisced about various happenings which took place in the church during their years as pastor. Also Rev. and Mrs. August J. Bueltmann, Immanuel Lutheran church; Rev. and Mrs. Laslo Hunyady, St. John's United Church of Christ; Fr. Cecil Koop, St. Mary's Catholic and Mayor and Mrs. Eric Book all of Mokena.

Congratulatory letters were received and read from other former pastors who were unable to attend: Rev. A. R. Mangus; Rev. Ralph M. Gray; Rev. Charles Knight; Rev. Alvin J. Lindgren; Rev. John Templeton Jr., Rev. Robert Prater; Rev. Hughes Morris Jr. and Rev. Jerald H. Jackson.

Special music was presented by a girl's trio of the church: Miss DeAnn Bressler, Miss Susan Schutte, and Miss Jackie Snow who were accompanied on the piano by Miss Kedra Welsch.

Mrs. Vernon Lankenau led the audience in singing three religious songs, "I Love Thy Kingdom", "Faith of Our Fathers" and "Blest Be the Tie That Binds", with Mrs. Matt Tanl, church organist accompanying.

The Centennial banquet was then closed with a benediction given by Rev. Watson.

A panel of two school board members, two teachers, two parents, and two students will discuss the topic "Our School Problems" at the Nov. 22 meeting of the Mokena PTA, followed by open discussion.

This month's meeting will be held at the Carpenter Street school beginning at 8 p.m. The Singing Meteorers will present a hi-light from their Christmas program in December. The PTA wishes to remind parents of the baby-sitting service available at the Methodist Church for this night.

Get Yule Mail Going Asks Postmasters

The time for Christmas mailing is growing short, area postmasters remind residents of Orland Park, Frankfort, Mokena and New Lenox today.

"Get the Christmas mail going," is the plea of the area postmasters.

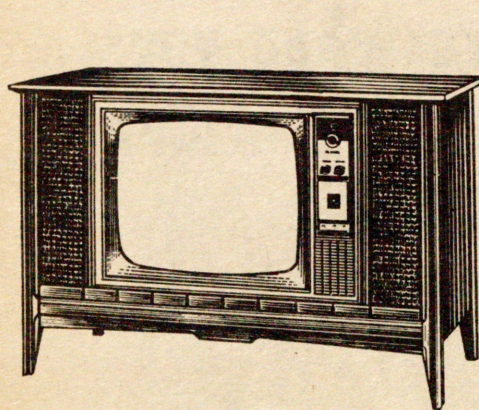

They predict the heaviest mail in the history of the department this Christmas--something like eight billion pieces, which is generally acknowledged to be sizable bunch of mail. Even in foreign aid dollars, eight billion is an impressive figure.

Use zip codes on all mail, they urge, and those who don't know what the zip code is can call their postoffice and find out.

Whitmore-Wheeler Vows Read Oct. 8

Miss Penelope Ann Whitmore and Randall D. Wheeler were united in marriage on Saturday, Oct. 8, at 1:00 p.m. in St. Mary's Catholic Church in DeKalb. The bride is the daughter of Mrs. Fiveash Whitmore of DeKalb, and the groom is the son of Mr. and Mrs. Robert E. Wheeler of Lincoln Estates.

The Rev. Albert F. Rennell officiated at the double ring ceremony before an altar decorated with vases of bronze mums. Emereth Boyden of Lincoln Estates was organist, and Jayne Wheeler, a sister of the groom, was soloist. During the ceremony she sang "Ave Maria."

Escorted to her marriage by her uncle, Chester Whitmore of Wheaton, the bride wore a modern empire floor-length gown of satin, trimmed with hand run alencon lace. The all-lace bodice was complimented by a sabrina neckline and Juliet sleeves. The A-line skirt had a modified cage effect with a detachable tubular chapel sweep train. Her hand-made mantilla of imported silk illusion was edged with motifs of matching alencon lace. Her bridal bouquet was a cascade arrangement of white stephanotas and yellow baby roses, surrounded by lace and ivy. Her jewelry consisted of a pair of white pearl earrings.

Miss Mary Whitmore was maid of honor for her sister. The bride was also attended by Mrs. David Schuelke, a sister of the groom; Mrs. David Simone of Dixon; and Miss Linda Wheeler, another sister of the groom.

Their floor-length empire gowns of gold silk brocade were touched with a hint of pink and trimmed with pink velvet ribbon at the high rise waist. The gowns had scoop necklines and baby doll puff sleeves. Their petaled headpieces were of matching silk brocade. They carried cascade bouquets of single large white mums, tipped in pink with lace and trailing ivy.

Dennis Wheeler, the groom's brother, was best man. Groomsmen were Karl Erickson of Bourbonnais, David Schuelke of DeKalb, and Peter Burns of Frankfort. All the men of the wedding party wore formal attire.

Mrs. Fiveash Whitmore, the bride's mother, wore an egg-shell silk brocade suit with garnet accessories. Mrs. Robert Wheeler, the groom's mother, wore a blue silk suit with matching blue accessories. Both mothers wore corsages of carnations and roses.

Following the ceremony a reception for the couple was held at the Holiday Inn in DeKalb. A buffet luncheon was served for the bridal party and their eighty-five guests in the Inn dining room.

The three-tiered wedding cake, topped by a crystal and silver bell, was served by Mrs. Loveda Paulus of DeKalb, with Mrs. Michael Verbie and Alicia Ridulph assisting. Mrs. William Thompson and Mrs. Dennis Wheeler, the groom's sis-

ter-in-law, poured punch. Bonnie Irving was in charge of the guest book and registered guests from Bourbonnais, Charleston, Chicago, DeKalb, Dixon, East Moline, Elgin, Frankfort, Genoa, Hinckley, Lincoln Estates, Marseilles, Mokena, Palos Heights, Palos Park, Rock Island, Sycamore and Wheaton.

After a short honeymoon to the Wisconsin Dells, the couple will reside at 321

North California in Sycamore.

Mrs. Wheeler graduated from DeKalb High School in 1964, attended Northern Illinois University, and is employed as a secretary at the General Electric Company at DeKalb. Mr. Wheeler is a 1963 graduate of Lincoln-Way High School, a senior at Northern Illinois University, and is employed part-time at radio station WLBK in DeKalb.

The dirty work is done when the female fly deposits eggs in the fruit with a needlelike ovipositor. Even if the eggs don't hatch, the hole made by the ovipositor usually stops apple growth at that point. The result is a lumpy, warty surface. If an egg hatches and the larva survives, it builds inside the apple a tiny brown trail that has a corky texture.

The individual flies are easy to kill, but complete control depends on community effort. You must not only kill the fly but also the larvae and the pupae in the soil. It is also important to dispose of the fallen fruit before the larvae emerge. If you had this problem, the chances are that other home fruit growers in your neighborhood did also. Effective sprays that you and your neighbors can use include DDT, in malathion or diazinon. The entire tree must be covered with the spray. Spraying trees and bushes around the fruit trees is also suggested.

Although spraying must be done at regular intervals during spring and summer, soil treatment with aldrin can be done this fall. This is easily done by applying aldrin granules to the area under the tree. This will prevent apple maggot larvae or pupae from living overwinter in the soil.

Who likes a wormy apple? Or a lumpy one, or one that's discolored on the inside? Apparently no one because many people have been complaining to us about them at the University of Illinois Extension Offices in Cook County.

We find that this trouble occurred when backyard orchardists didn't spray or didn't spray enough. They didn't control the apple maggot. The apple maggot is a fly about one-fourth inch long, and slightly smaller than the common house fly. It feeds in the same manner as the house fly, either sponging up liquids or dissolving food in its saliva before sponging it up. Because of these feeding habits, insecticides sprayed on fruit will readily control the flies.

It prefers soft and thin-skinned fruit, so it usually seeks out early-ripening apple varieties. However, crabapples, plums, blueberries and even huckleberries will also be damaged by this pest.

Will County Voters Beat Revenue Article

Will County voters rejected the proposed constitutional amendment which would provide a new Revenue Article by a vote of 30,922 to 27,226.

On the amendment which would permit sheriffs and county treasurers to succeed themselves the Will county unofficial returns show 29,173 as favoring the proposal and 27,976 opposed.

In the state at large both amendments are reported to be beaten. Each required two thirds of the votes cast on each amendment to pass, or a simple majority of all the votes cast in the election of Nov. 8.

To get a majority of all the votes cast is quite difficult, it was pointed out, because many persons do

not mark these constitutional ballots. Unmarked ballots, therefore, are the same as "No."

It was first reported that the amendment which would permit treasurers and sheriffs to succeed themselves appeared to be carrying but later it was believed it would fail.

The decision will become official after the state canvass is completed.

The judges seeking retention in Will county, Stewart C. Hutchison and Angelo F. Pistilli, associate circuit judges, were easy winners. Hutchison received 49,378 "Yes" votes while 8,336 persons voted against him. Pistilli received 45,072 "Yes" votes while 12,025 voted against him.

Arbury Hills

Civic Assoc. Opens Membership Drive

MRS. EDWARD HOVI
Telephone: 479-5740
The Arbury Hills Civic Association has rescheduled its November meeting, from its regular meeting date of Nov. 22, to Nov. 29 at 8:00 P.M. It has been re-scheduled in order that it will not interfere with the preparations for the Thanksgiving Holiday.

There will be a membership drive originated with this meeting. The dues will remain the same as in past years, no inflation here, at \$3.00 per married couple. Any other adult members of the household must have their own memberships. Along with the membership card, you will be given the 1967 automobile sticker to indicate residency in Arbury Hills.

The treasury of the Civic Association has been put to good use, we should all agree, with the lighting of the entrances and the erecting of Arbury Hills signs at both entrances. Funds were also given out to have decorative plants set out at both entrances, and the flagpole from the old school also erected at the Birch entrance.

For the first time there was a general pick up of all the accumulated trash in our community. There have been repairs of some of the street signs and the replacement of the activities sign after it blew down in one of our many storms.

These and all the other big and small projects require a continual supply of money. The large portion of it must come from dues.

A membership committee will be formed at the meeting, and we ask that the committees' members be received with courtesy when you are contacted.

In order that a member may be eligible to vote in the January elections, the dues are to be paid up.

There will also be a nominations committee established to develop a slate of candidates for the elections. In addition to the slate presented by the nominations committee at the January meeting, there will also be an opportunity for the membership to offer nominations from the floor on the night of the meeting.

At a recent board meeting, it was decided to have a local contest for home Christmas decorations. It was considered by the board may present the home considered to have the best Christmas decorations with a plaque.

The Cub Scouts of Pack 10 will have an early pack meeting for the month of November to avoid having the meeting on the day following Thanksgiving. The meeting will be held at the school on the Friday before Thanksgiving, November 18, beginning at 7:30 P.M.

The theme of the meeting will be "Adventures In Space". The boys are in the process of preparing exhibits and entertainment for the families.

The Cadette Girl Scout Troop are getting set to visit their adoptive Grandma and Grandpa at the Salem Old Peoples Home in Joliet. The date set is Nov. 25.

Both grandparents are to receive a gift from the girls, and the Cadettes are working hard to finish token gifts for all residents of the Home. The home will also be entertained by the girls, who are preparing skits and songs for the residents.

The Piccolo Playhouse in Joliet is having a special performance of the "Emperor's New Clothes" for the Cadettes in the Tri-Kena Council. A reduced price of 80¢ for Cadettes and \$1.60 for the accompanying adults has been set for the November 19 afternoon performance.

Following the matinee at 2:00 P.M. some of the stars will assist those Cadettes who are working on their Player Producers Badge.

The Arbury Hills Boys Baseball League held their regular monthly meeting at the school last week. There was a reading of the newly proposed by-laws to the assembled group, in accordance with the establishment of the organization as a "not-for-profit" organization with the State of Illinois. The by-laws were read and a number of wording changes were offered by the group. The by-laws will be

13 On High Honor Roll

Thirteen students of Providence High School, New Lenox, have attained placement on the "A" Honor Roll for the first quarter. It has been announced by Brother K. Daniel, F.S.C., Providence principal.

Only those students who achieve five A's, or four A's and one B, are named to this select list, after other qualifications have been met. The honored students are: Seniors: Scott Reiter and Theresa Reiter, Joliet. Juniors: Judy Linko, Joliet; Theresa Long, Wilmingon; Terrence Nelson, Joliet and Teresa Wingate, 218 Prairie Rd., New Lenox. Sophomores: Judith Batis, Joliet; Jean Clemens, 131 Maple Lane, New Lenox; Maria Del Raso; Maryann Micetich; Ronald Nagra and Jean Ruppe, Joliet.

Freshmen: Jerome Peters, 203 E. Wood St., New Lenox.

voted upon at the December meeting.

There will be the election of officers at the January meeting. If you wish further information about the election, or wish to offer your services please contact Donald Rutan at 479-9527.

The Summit Hill Parent-Teacher Group held their annual open house at the school last week. The December meeting of the organization will be postponed until Dec. 15, in order that the meeting will fall closer to the Christmas holiday.

It is planned that the school children will entertain the parents at the meeting. They will present a Christmas program for their enjoyment.

The PTG is holding their second full length movie at the school on Nov. 26 beginning at 1:00 P.M. and lasting approximately two hours.

The name of the movie will be Misty. Admission to the show will be 50¢ per person. All pre-school age children must be accompanied by some responsible older brother or sister or a parent.

There is to be no refreshments sold at the school, and you are asked to bring none with you to lessen the amount of clean-up necessary after the show is over.

The Teens Club is planning a charitable project for Christmas. The young people will be collecting toys, dolls, purses, and other small personal articles for the retarded children and adults at the Dixon Home in Dixon, Ill.

The teens will also participate again in the Jerry Lewis March for Muscular

Dystrophy on Sunday, Nov. 20. If you have any questions about the march, please contact either Mrs. Wm. Jensen at 532-2695 or Mrs. Glenn Homer at 479-5075. With a miserable day in view there was a sparse turnout for the teens Hay Ride in New Lenox. Too bad for the planners.

Mr. Reeves, one of the adult advisors of the group,

is checking into an ice skating outing for the club at the rink in Joliet. More will be announced at a future time.

The Teens Club is also collecting paperback books for distribution to the military personnel. Please contact either Mrs. Jensen or Mrs. Homer at the above numbers, if you have any books to contribute to the collection.

Trooper Cleland To Speak At Meeting

MRS. DOLORES ANDERSON
Telephone: 485-2365
The New Lenox Association of Commerce will meet Tuesday, Nov. 22, for a luncheon-meeting at Bruns, at noon. Speaker for the

meeting will be Safety Education Officer, Corp. Gordon Cleland of the Illinois State Police.
President of the Association, Bill Landers, attended a special meeting Wednesday

night of last week of the Joliet Region Chamber of Commerce at which members of other groups from Will County attended. The meeting was to discuss a pamphlet for recruiting tourists to Illinois, teachers, doctors, visitors, conventions, and to promote new business, etc. Commerce members were asked to endorse and cooperate with this move.

There will be a discussion on the local association's new project, of placing two 8x20 signs at the east and west edge of town on Route #30, welcoming Industry into town.

The village has allocated \$500.00 towards the signs, and the rest is to be raised among the members, and businessmen in the area.

Cub Scouts of Pack 49 will go door to door on Thanksgiving week-end Nov. 25-26-27, to collect items that will be sent to the boys serving in Viet Nam. Items needed that the boys want are: ball point pens, plastic soap dishes, wash cloths, foot powder, combs, tissues,

writing paper, nail clippers, puzzles, games, playing cards, snapshot holders, sewing kits, metal mirrors, small moisture proof plastic bags, jiffy-pop popcorn, and gum.

For further information call Don Hutchison, 485-8449, Cubmaster. Anyone wishing to donate toward paying for the postage in sending these articles to the boys in Viet Nam is welcome to do so.

St. Jude's school children will have a barbecue lunch on Thursday, Nov. 17. Co-chairmen will be Mary Ellen Criscione and Sue Hansen.

All women of St. Jude's Parish and their guests are invited to attend the meeting of the Council of Catholic Women next Tuesday, Nov. 22 at 8 p.m. in the school hall. The Rosary will precede the meeting at 7:30 p.m. in the church, led by Rev. Andre Schuldecker, OFM.

Dr. Robert Keener, M.D., of the Frankfort Medical clinic will show two films from the Will County Cancer

society on the prevention of cancer in women.

The New Lenox Unit of Homemakers Extension will meet Friday, Nov. 18 at 1 p.m. at the home of Mrs. Edward Berens, instead of the usual meeting date Nov. 25.

The New Lenox Home Study group met Nov. 15 at 8 p.m. at the home of Mrs. Lewis Radd, Herr Drive. Speaker for the evening was Mrs. Marylee Wetnight from Hammond, Ind., who talked on Christmas gift wrappings. Mrs. Charles Sutton was co-hostess.

Mr. and Mrs. Ralph Fothergill and daughter Cynthia, 152 Forest st., have returned home from a tour aboard the Santa Fe El Capitan, to Flagstaff, Ariz., where they visited the Grand Canyon, and the picturesque town of Sedona, in Oak Creek Canyon.

The Goodwill Industries Truck will be in New Lenox, on Nov. 23 to pick up repairable articles of clothing, appliances and small household furnishings. Anyone wishing to have the truck stop should dial 722-5189.

The Air Force Mothers club will hold its first annual banquet at the Y.M.C.A. in Joliet at 7:30 p.m. Friday night, Nov. 18. Any future Air Force Mothers that would like to join are welcome to attend. Reservations can be made by calling Mrs. Wendell Cooper, 485-8496.

The New Lenox Church of the Nazarene will sponsor a Singers' party on Saturday night, Nov. 19 at 7:30 p.m. to which all churches in the New Lenox area are invited to participate.

Burton Gillette is confined to St. Joseph's hospital where he underwent major surgery three weeks ago.

Paul Gillette, a student at Mexico, Mo. Military school, and a member of the school's band, participated in the Missouri University Homecoming parade in Columbia last Saturday, and to highlight their fall season, the cadets will perform on national TV from Kansas City, Nov. 20, between halves of a Kansas City - Boston pro-

football game. Accompanied by and marching with the band, the Fusileers will perform an 11 minutes sequence of Army drill, European maneuvers, and self-originated maneuvers. The performance is scheduled to be carried by most NBC-TV stations in several states.

Two weeks ago the band drew raves at the 18th annual Mark Twain Bandmasters festival in Hannibal, Mo.

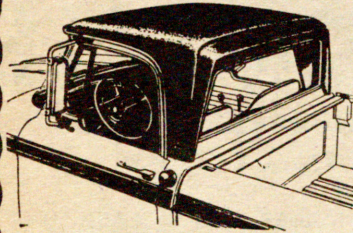

The Women of Grace Church will have a coffee hour Friday, Nov. 18 from 1 to 3 p.m. and 7 to 9 p.m. at the church. At this time, jewelry from Hillcraft Co. of Rockville, Ind. will be on display and orders will be taken if anyone is interested. This is very unusual and beautiful jewelry made exclusively by handicapped people. All are invited.

The Lincoln-Way band parents met Oct. 24 at the school. They reviewed a few possibilities of the year's projects money. These will be brought up, and discussed Monday, Nov. 14, at 8 p.m. when all the band parents will be present. Hostesses for the Monday's meeting will be the girls from Frankfort. If any of the hostesses would care to help with the refreshments and setting the tables, please call Mrs. Edmund Ebert at 469-5865 to get more details.

R.I. Offers Special Fares For Children

The Rock Island Lines are offering special roundtrip fares for children between 5 and 11, accompanied by an adult of course, on the five Saturdays before Christmas, Nov. 26, Dec. 3-10-17-24.

My Neighbors

Ye have need of patience. —(Heb. 10:36 A.V.)
If we have patience we can wait for our good without tension or discouragement. Patience is the ability to wait in peace. Patience is not accepting defeat gracefully; it is waiting quietly for certain victory. Let us not cast away our confidence, but hold tight to it, and wait for our plans to mature with the patient confidence of faith.
